

# Pocket Hand Warmers

This pair of **heart-shaped hand warmers** will keep you toasty while braving the winter weather!

## HOW DO THESE HAND WARMERS WORK?

- ♥ Pop them in the microwave for 15 – 45 seconds (microwaves vary).
- ♥ Slip them into your gloves, mittens, or coat pockets.
- ♥ They can also be placed in boots and slippers to warm up chilly toes and feet.
- ♥ Bonus Tip: Put them in the freezer to turn them into hand-y ice packs!
